

An Evening on Fukushima

6:00pm,
Wednesday
27th February
2019

A lecture from Dr Leslie Mabon on his ongoing research into the regeneration of Fukushima's coastal communities following the 2011 disasters.

Filmmaker and director Ms Toko Shiiki will then talk about her own personal experiences and screen her documentaries "Over the Sky" and "Passing the Baton".

The Project Room, 50 George Square, University of Edinburgh.
